There Are No Saints Sophie Lark, 2023-10-03 She knows he s no saint but she has no idea she s dancing with the devil Cole Blackwell values control He s the hottest sculptor in San Francisco wealthy successful and respected His only weakness is the dark impulse he carefully conceals In truth he s not just an artist he s a predator and the city is his hunting ground Mara Eldritch is a nobody Broke and damaged she works

No Saints, No Saviors Willie Perkins, 2005 Willie Perkins left the staid conservative world of commercial bank auditing to jump headlong into the burgeoning beginnings of The Allman Brothers Band and follows their meteoric and sometimes tragic rise fall and revival Perkins s interest in the business of music and his association with an interesting pair of friends led him to the opportunity to go to work with the Allmans at the earliest stage of their career For the first time we learn from a true insider what it was like to live the nomadic life on the road with the Allmans from their earliest low buck club tours through the triumphant million dollar months of outdoor stadium dates in the mid seventies Perkins vividly describes living in the band s Big House and what it was like to room on the road with the legendary Duane Allman and what a truly amazing person he was The author tells of all the band and crew members and shares how they all dealt with the bumpy road to rock stardom The fast life of touring performing and recording with its huge rewards and triumphs is seen with literary clarity in these pages Perkins s memory of the sorrow and grief suffered from the untimely deaths of Duane Allman and Berry Oakley is paralleled by the band s dogged determination not to give up The reader is not spared the details of the destructiveness of drug and alcohol abuse and will learn the true facts behind the drug trial of John Scooter Herring Read how the band and its crew dealt with family life girlfriends and groupies Also you will learn about the making of the legendary Live At Fillmore East album the band s generous charitable contributions and their relationship with Jimmy Carter No book on The Allman Brothers band would be complete without an account of Gregg Allman s solo comeback of the eighties and the twentieth anniversary reunion tour of The Allman Brothers Band

No Saints No Saviors is a story of triumphs and heartbreaks but ultimately it is a story about how the music of The Allman Brothers Band indeed may well live forever
